ABOUT THE CAUSE

Milestones, Memories, and Momentum celebrates more than a century of progress and achievement in children’s and women’s health care at Michigan Medicine. As we also recognize the 10th birthday of our leading-edge C.S. Mott Children’s Hospital and Von Voigtlander Women’s Hospital facilities, we look toward the future and how we can improve the lives of families everywhere.

Event proceeds will help us continue to reimagine the hospital experience to ensure that each Mott patient has access to activities and support that can make their care journey more uplifting. The event will also benefit groundbreaking studies launched by the Charles Woodson Clinical Research Fund and the Women’s Health Innovation Fund.

We are grateful to have a dedicated community that shares our vision to create a better tomorrow for children and women around the globe.

With your involvement in Milestones, Memories, and Momentum, that brighter future can begin today.
